

That's us. We are pushing all the time to get business and then hustle to take care of it. We respectfully ask consideration of our bid for your trade, and below we quote prices from several lines carried just to give you an inkling of what we have to offer. We have been here about nine months and in that time, by square dealing and reasonable prices, have outgrown our building. To enable us to handle our fall stock we have added **25** feet more room and have that full. We believe in telling the truth in our advertisements and to our customers at all times. You can look for a "square deal" here every time.

Dress Goods

Suitings from **50c** to **\$1.50** per yard. We have the correct things in Black Goods also.

A nice dress calls for up-to-date trimmings; Belts, Collars, Etc. You'll find them right here in great variety. Prices always surprisingly low.

An extensive line of Gingham in new fall shades. Extra values at 8, 12 and 10c.

Boys Winter Caps 25 to 50c

Notwithstanding the continued advances on staple cotton goods, we, by buying early, are in position to make some very interesting prices. Don't judge the goods by the prices, but come and see how good they are.

Our business in this department has been phenomenal—can't get Shoes fast enough. There's a reason too—We sell COURTNEYS FULL VAMPS. No cut-outs under the tips, and we stand back of every pair. Faulty stock will get into the best of Shoes—Can't keep it out, and we've had a few pairs to go wrong, but we offer \$100 reward for proof of a single instance where we have not readily made good. That's what we claim to do and WE DO IT.

We have all Styles and Leathers from the Coarse Work Shoes to the Finest Kid and Patents. We can fit all sizes from an infant to a men's No. 11.

Particular dressers can be pleased perfectly just as well as the working man.
